Committee Assignments

Membership: Jay Altman reported there are currently 38 members. This number is down two from the previous list. We need to encourage people to join.

Education/DSP Development: Shontenna Jett stated she will distribute a survey to see what training is needed. Kenneth James and Teresa Satterfield will assist with any training. One suggestion made was the topic of Mental Health.

Historian/Website/Newsletter: Jay Altman continues to keep the website up to date. He informed the committee that the Sensory Overload Guide link that was approved has been added to the website.

Nominations/Awards: Debbie Walsh will take care of Nominations and Awards.

Conference Committee: Shannon Wood is the chair of this committee. Planning is in the beginning stages.

Legislative News: Thoyd Warren provided an update on S 533. The bill has moved on to the full Senate. There was a lot of discussion around the unintended consequences with this bill on abolishing subminimum wage. It appears there is a lot of support for it and the 3 year phase in period will be crucial to the implementation.
